ABOUT

Our company

Who We Are:

Established in 1970, **Pratik Industries** is a trusted manufacturer and supplier of high-quality automobile and earthmover engine parts. With decades of experience, we specialize in products such as **suspension parts, oil engine parts, and other precision components** that meet the toughest industry demands. Our products are known for their high tensile strength, durability, resistance to wear & tear, and flawless finish. To ensure unmatched quality, we use premium-grade raw materials sourced from leading vendors and strictly follow international quality standards.

What We Do:

We manufacture parts in different grades and sizes to suit various applications in **the automobile and construction industries**. Customization is also available to match specific client requirements, backed by our dedicated and skilled team

Our People:

Our team of experts brings in-depth knowledge and enthusiasm, ensuring streamlined operations and flawless execution. They work hand-in-hand with our customers to deliver **tailor-made solutions** that exceed expectations.

Customer First Approach:

From design to delivery, our focus remains on **customer satisfaction**. We ensure timely dispatch, reliable logistics, and multiple transaction options for a hassle-free experience.

Guided by Vision:

With the encouragement of our mentors, **Lt. Shri Arvindhbai Ahiya** began his career as an instructor at ITI before founding a factory that initially focused on contract work for **oil engine parts**. He later expanded the business to manufacture **oil engine parts, automotive components, water pump shafts, and construction parts**. Under his leadership, the factory grew from 100 square feet to 10,000 square feet. We continue to expand globally with a vision to become **an eminent leader in engineering and automobile parts manufacturing**.

Built with precision, powered by trust – driving industries forward since 1970.

WHY We Are Best

Mission

Our mission is to provide high-quality, durable, and precise parts that enhance performance and efficiency. We are committed to ensuring customer satisfaction through timely delivery, innovation, and continuous improvement.

Vision

Our vision is To become a global leader in automobile and earthmover parts manufacturing, delivering products that symbolize strength, reliability, and trust across industries worldwide.
